TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING
REJECTION

TransPacific Plasma LLC, the owner of the entire interest of the above described U.S. Application No. 10/761,713, filed January 21, 2004, by assignment recorded in Reel 018047, Frame 0778 under date of July 12, 2006, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Serial No. 11/153,645.

The owner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantor, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term of the prior patent, as presently shortened by any terminal disclaimer,
